2011 PHILADELPHIA BAR FOUNDATION AWARD

The Philadelphia Bar Foundation Award was originally established to honor the memory of Louis D. Apothaker, a prominent Philadelphia attorney and past president of the Bar Foundation who was an outstanding leader within the legal profession and in the community. The award carries on the tradition started by the Apothaker family and recognizes a public interest attorney who provides exceptional service to the non-profit legal services community.

A \$2,500 check is presented to the award recipient.

The award will be presented at the 33rd Annual Andrew Hamilton Benefit on November 19, 2011 at the Pennsylvania Academy of the Fine Arts.
