

2022 Unified Giving Campaign

Civil legal aid is an essential tool in the fight to improve equity in our society, and the Bar Foundation is committed to strengthening and enhancing the civil legal aid system in Philadelphia. Philadelphia's network of civil legal aid agencies provide a full range of vital legal services. These organizations improve the quality of life for individuals and families across Philadelphia and Pennsylvania. Funding their work is a critical reinvestment in our communities.

The Bar Foundation's law firm donation structure, *Unified Giving*, requests an annual one-time financial gift, rather than sponsorships for multiple events throughout the year. Our Unified Giving campaign allows the Foundation to focus more of its energy and resources on its mission of promoting equal and equitable access to justice through grants, programs, and partnerships. In 2021, the Bar Foundation distributed \$401,743 in unrestricted grant funds and provided more than \$50,000 in programmatic and technical assistance that strengthened the civil legal aid sector, improved equity in our society, and enabled our nearly 40 nonprofit partners to make an impact in an ever-changing legal landscape.

The benefits of Unified Giving are:

- **Continuous support and promotion of our law firm supporters.** Your firm name will be included in our promotional materials and on our website for a full year. As Unified Giving Partners, firm lawyers are invited to attend our Access to Justice Awards Benefit in the fall. At this event, we acknowledge and thank firms for their Unified Giving support.
- **Fortification of the Philadelphia Equal Justice Center (EJC) Initiatives.** Unified Giving is especially important as the EJC project team continues to work with our nonprofit partners on initiatives to transform the delivery of legal services through collaboration, reinvestment, service delivery, and innovation.
- **A reduced focus on event fundraising.** In alignment with current best practices, Unified Giving allows more time for high-level guidance and proactive strategic planning for the future of the Bar Foundation. In addition, it minimizes competition for dates, locations, and attendees at other local fundraising events.
- **Long-term sustainability.** Law firm giving has thrived under this model due to reduced expenses related to solicitation work at multiple times during the year. In addition, our Board members are able to develop deeper, mutually beneficial relationships with donors and constituents. Unified Giving commitments provide the Bar Foundation with flexibility and allow us to maximize revenue and reduce costs.

To participate in Unified Giving, we ask you to make a gift that reflects your firm's commitment to ensuring robust funding for Philadelphia's legal aid sector. *Thank you for your support!*
