Thanks David. If you could let us know who in the family we should contact to follow up after you let them know about the award, that would be great.

I am looking forward to participating as much as the Foundation would like. I will let the family know.

Hi David,

I hope that you're well. Josh Snyder and I are the co-chairs of the Bar Foundation's Awards and Programs Committee and, in that capacity, we are writing to let you know that the Foundation is honoring Jerry Shestack with our Trailblazer for Justice Award. This award is given out every two years and is a posthumous award to recognize Philadelphians who advanced the cause of civil rights. It has only been given out once before, to Sadie Alexander.

We are thrilled to recognize Jerry's important contributions this year, and we are hoping that you can help us coordinate to let his family know about this honor. Our awards will be presented at our annual fall event, which this year will be held on November 8th at the Crystal Team Room, starting at 5:30 pm.

More information about the Trailblazer award is available here:

Best,
Nilam
