# Why Sponsor?

## Our Mission

Through programs, grants, and partnerships, the Philadelphia Bar Foundation removes barriers to justice, engages the community in support of civil legal aid, and builds system-wide capacity in order to strengthen the provision of quality legal services and to ensure that all individuals understand their rights to equal justice under law.

## About the 2021 Access to Justice Benefit

Each year, our annual award event celebrates Philadelphia's public interest community, civil legal aid organizations, and the businesses that partner with the Bar Foundation. In 2020, we held the first ever **virtual** Access to Justice Awards Benefit and it was a great success, thanks to our partners, donors, and sponsors. We promise another engaging experience in 2021.

## Sponsor Benefits

Your 2021 sponsorship of this special event ensures that the Philadelphia Bar Foundation raises funds needed to support our 2021 grants. Historically, our Access to Justice event attracts hundreds of legal professionals in celebration of the public interest community. The event enables the Foundation to thank our generous donors and honor the outstanding achievements of pro bono and public interest lawyers in Philadelphia.

This annual awards event provides a meaningful opportunity to put your company in front of a robust and engaged audience of legal industry professionals in a mutually beneficial partnership. This year's virtual experience allows us to exceed our normal audience size, and provide marketing opportunities and viewership before, during, and after the event.

# About Our Sponsorships

## Exclusive Sponsorship Opportunities for Companies that Serve the Legal Industry

**Businesses that support the legal industry or business community, and those who are simply interested in supporting the Philadelphia public interest community, are invited to participate in event sponsorship. We truly value your financial support of our mission and of our Access to Justice Awards Benefit.**

Through our **Unified Giving** campaign, law firms provide an annual one-time financial gift that provides sustenance to support the Philadelphia Bar Foundation for the whole year. The Bar Foundation relies on this campaign to support our annual grants. At the 2021 Access to Justice Awards Benefit we will thank our Unified Giving Partners for their support.
