# Why Sponsor?

## Our Mission

Through programs, grants, and partnerships, the Philadelphia Bar Foundation removes barriers to justice, engages the community in support of civil legal aid, and builds system-wide capacity in order to strengthen the provision of quality legal services and to ensure that all individuals understand their rights to equal justice under law.

## Sponsor Benefits

Become a sponsor of our Access to Justice Awards Celebration and join our community. Sponsorship provides companies a meaningful opportunity to engage with the legal industry and join the mission for equal access to justice for all. The event attracts hundreds of legal professionals and community leaders who gather to honor the outstanding achievements of pro bono and public interest lawyers in Philadelphia. Access to Justice Awards Sponsors, along with individual donors and our Unified Giving Partners, make it possible for the Philadelphia Bar Foundation to continue its work to remove barriers to justice, strengthen the civil legal aid system, and ensure that all individuals and families in our region have the opportunity to flourish.
