# Letter from the President

Dear Friends,

I have been working in the legal community for over three decades. During that time, I have seen first hand the value of pro bono service and the dedication of Philadelphia's civil legal aid community. Through our grantmaking, programs, fellowships, and awards, the Foundation works to promote equal access to justice for all individuals, families, and communities across Pennsylvania.

A few highlights from 2019, for me, include:

- The passage of the Right to Counsel bill in Philadelphia City Council, which guarantees low income tenants representation in eviction cases and furthers the progress of the Philadelphia Eviction Prevention Project, a collaborative effort implemented by several legal service agencies in Philadelphia, including our nonprofit partners Community Legal Services (CLS), Legal Clinic for the Disabled (LCD), Philadelphia VIP, Regional Housing Legal Services (RHLS) and SeniorLAW Center (SLC).
- The Honorable Timothy K. Lewis's speech at our 2019 Access to Justice Benefit about the Equal Justice Center and why he believes it's "the most important endeavor ever undertaken" in achieving equal access to justice.
- The Bar Foundation was selected to participate in Philanthropy Network's Equity Cohort, a program designed to foster awareness, reflection, and institutional change regarding structural and systemic barriers to equity, particularly as they pertain to race.

Thank you to the Board and Staff of the Philadelphia Bar Foundation for your continued commitment to our mission and values. Thank you to our nonprofit partners, who work tirelessly day after day to fight for equal access to justice in health-care, housing, immigration, and more. Thank you to our donors, Philadelphia's legal and business communities, for your support of our work and our mission. I look forward to serving again in 2020.

A handwritten signature in black ink that reads "Leslie E. John".

Leslie E. John, Esq.

# About the Philadelphia Bar Foundation

The Philadelphia Bar Foundation is the only foundation in Philadelphia solely dedicated to supporting and strengthening the delivery of high quality civil legal aid services across the full spectrum of need. Support from our generous donors has allowed the Bar Foundation to provide unrestricted grants to our nonprofit partners, in addition to supporting important partnerships that strengthen the public interest and pro bono communities.

## Our Vision

A Philadelphia community in which everyone has equal access to justice.

## Our Core Values

- We believe all people should have equal access to justice and the right to legal representation.
- We believe in a just and fair society; when we work to provide an equitable and inclusive playing field, we make our legal system fairer.
- We believe in our responsibility to advocate for equal access to justice wherever possible, to drive change and provide legal services to underserved communities.
- We believe in recognizing, supporting, and celebrating the efforts of partners and collaborators who further these principles; the whole is bigger than the sum of its parts.
- We believe in amplifying the unique value that the Philadelphia Legal Aid community provides.

## Our Mission

Through programs, grants, and partnerships, the Philadelphia Bar Foundation removes barriers to justice, engages the community in support of civil legal aid, and builds system-wide capacity in order to strengthen the provision of quality legal services and to ensure that all individuals understand their rights to equal justice under law.

## Philadelphia Bar Foundation 2019-2023 Strategic Plan

In 2018, the Philadelphia Bar Foundation identified opportunities for organizational growth and improvement and developed a 2019-2023 Strategic Plan. This plan is the culmination of efforts with Philadelphia Bar Foundation leadership and Trustees to define a road map for the immediate and long-term future.

The Strategic Priorities identified for 2019-2023 are:

- **Philanthropy:** Increase sustainability and consistency of financial support to legal aid partners
- **Sustainability & Capacity:** Strengthen the Bar Foundation by improving Organizational Sustainability
- **Partnerships:** Increase and strengthen transparent, mutually beneficial partnerships across all areas of the Bar Foundation including partnerships around the Equal Justice Center initiative
- **Advocacy & Awareness:** Transform the legal aid system through advocacy and awareness
