

Philadelphia Bar Foundation  
Morris M. Shuster Public Interest Fellowship Program  
2020 Guidelines & Guidelines Certification

## Introduction

The Morris M. Shuster Public Interest Fellowship Program provides educational loan repayment assistance in the form of forgivable loans to selected qualifying attorneys employed full-time by Philadelphia Bar Foundation (“PBF”) grantee organizations.

In 2003, Morris M. Shuster, Esquire recognized the burden that student loan obligations may represent for public interest attorneys, and so established the Fellowship as a means to help legal services organizations funded by PBF attract and retain qualified attorneys and thereby help provide ongoing stability to Philadelphia’s legal services system.

## Shuster Fellowship Assistance

Two levels of assistance are available based on applicants’ years of experience in public interest law.

Level 1 assistance: One or more selected Shuster Fellows with at least five years’ experience will receive assistance that equals the recipient’s current “net annual educational loan indebtedness” or \$5,000, whichever is less.

Level 2 assistance: Two or more selected Shuster Fellows with at least three years’ experience will receive assistance that equals the recipient’s current “net annual educational loan indebtedness” or \$2,500, whichever is less.

## Selection

Shuster Fellows are selected by way of two random drawings: one from among all eligible Level 1 applicants, and another from among all eligible Level 2 applicants.

## Use of Shuster Fellowship Funds

Shuster Fellows must use assistance received to make payments on qualifying educational debt

as defined hereunder within a single calendar year and no later than December 31 of the calendar year immediately following the year in which Shuster Fellowship Program assistance is received.

Such annual payments on qualifying educational debt must equal at least the amount of Shuster assistance received.

## Eligibility

**a. *Employment.*** Applicants may apply for Level 1 or Level 2 assistance based on the applicant's number of years of employment as a practicing legal services attorney at one or more non-profit organizations, regardless of geographic location. (Level 1 assistance requires a minimum of five years' employment. Level 2 assistance requires a minimum of three years' employment).

Shuster Fellows must be employed full-time (minimum average 30 paid hours per week) by a qualifying employer and must be a "permanent hire employee" at the time assistance is received. A qualifying employer is a nonprofit organization that is a "general operating support" grantee of PBF (a list of qualifying employers is attached as Attachment #1). To be eligible, applicants may be employed by or have accepted full-time employment with a qualifying employer. Contract or temporary employees are ineligible.

**b. *Licensure.*** Applicants must be licensed to practice law in Pennsylvania.

**c. *Financial Eligibility and Eligible Loans.*** Applicants are determined to be financially eligible upon demonstration that he or she has a "net annual educational loan indebtedness" that equals or exceeds \$2,500.

"Net annual educational loan indebtedness" is defined as the yearly amount that is the obligation of the applicant to be repaid that results from all student loan indebtedness exclusive to the applicant from loans made by the government or an institutional provider for the education of the applicant after deducting any other student loan repayment assistance received, including but not limited to that received from a fellowship, law school or employer.

Family, personal, and credit card loans are ineligible. Loans for any purpose other than educational purposes are also ineligible.

**d. *Deadline.*** Applications must be received by 5:00 p.m. on November 16, 2020. Materials may be emailed to [cbyrne@philabarfoundation.org](mailto:cbyrne@philabarfoundation.org) with the subject line: 2020 SHUSTER PUBLIC INTEREST FELLOWSHIP APPLICATION

**e. *Forgiveness and Verification of Eligibility***

Shuster Fellowship assistance is provided in the form of a one-time forgivable loan. Loans given through the Shuster Fellowship Program are completely forgiven when Fellows: (1) immediately after assistance is received, complete one year of employment as a practicing legal services

attorney with a qualifying employer and provide written certification by your employer of such employment, and (2) make educational debt payments (interest and/or principal) in a single calendar year and no later than December 31 of the calendar year immediately following the year in which Shuster Fellowship Program assistance is received that equal at least the amount of Shuster assistance received and provide reasonable proof of such educational loan payments.

If a Fellow leaves qualifying employment voluntarily and does not complete one year of employment at a qualifying employer and/or fails to make satisfactory educational debt payments, the Fellow shall notify the Philadelphia Bar Foundation and shall (1) refund the assistance on a pro rata basis for the time spent not working for a qualifying employer (if employment criteria is unmet), and/or (2) refund the portion of assistance not applied to the “net annual educational loan indebtedness” (if satisfactory educational debt payments are not made).

If a Fellow leaves qualifying employment, either involuntarily such as an unanticipated lay-off or in certain circumstances such as an illness of the participant or a family member, the Bar Foundation may in its sole discretion forgive the loan.

**Shuster Fellows shall report to the Bar Foundation immediately (1) any changes in debt eligibility (e.g., the educational debt is paid off), as well as (2) employment status changes.**

Each loan shall be documented by means of a promissory note executed by the borrower in a form provided by the Philadelphia Bar Foundation.

### **Maximum Number of Fellows per Employer and Reapplication Waiting Period**

There shall be a maximum of one Fellow per qualifying employer per year. Fellows are ineligible to apply for future assistance for a period of three years. To illustrate, if an applicant applies in 2020 and is selected as a 2020 Fellow, the Fellow may not apply again until 2023.

### **Loan Distribution and Verification of Eligibility**

Assistance will be disbursed to Fellows in the form of one check. Shuster Fellowship Program assistance shall be used by Fellows to pay educational loan debt.

### **Federal Income Tax Liability**

The Philadelphia Bar Foundation believes in good faith that the discharge of Shuster Fellowship Program loans will not create taxable income for loan recipients (Fellows) under the Internal Revenue Code, based on the exemption provided by 26 U.S. C. Section 108(f), as amended. However, there is very little authoritative legal guidance available to determine with certainty the proper tax treatment of this structure. The recipient (Fellow) remains solely responsible for any federal, state or local income tax liability s/he may incur because of the forgiveness of their Shuster Fellowship loan. Applicants should consult with their tax advisors regarding tax implications associated with the Shuster Fellowship Program.
